Hi Jessica,

Yes, that works, I will send out an updated meeting invite.

Also, we have a proposed agenda below:

- Introductions
- Tub Spout Diverters Comments
- Stakeholder interactions
    - Manufacturer interviews
    - Test lab interviews
    - Review and address 3rd party comments
- CASE Report Schedule

With concerns regarding the comments I thought we should keep the agenda simple and allot time for discussion.

Please let me know if you would like to make any revisions.

Thank You!
