Question 39
Submitted: March 22, 2017

Questions in the following four sections on PA statewide program proposals refer to the “Statewide Administration Approach” proposed jointly by PG&E, SCE, SoCalGas, and SDG&E in their whitepaper authored on January 17, 2017 (“Whitepaper”).

Statewide Governance Approach

39. Please provide a description of the PA personnel that would be part of a proposed dispute resolution process (if any); including their respective:

- a. Roles,
- b. Responsibilities,
- c. Tasks,
- d. Length of appointment and
- e. Anticipated or expected time commitments.

SDG&E Response:

The roles, responsibilities, tasks, length of appointment, and other expectations including time-commitments are all under consideration and not yet determined. However, the IOUs agree that these are important elements to consider and outline as we work toward a statewide administration framework. The IOUs shared an initial framing for a statewide governance structure in the jointly filed “Statewide Administrative Approach” as a part of the Business Plan application in January 2017. The IOUs continue to work collaboratively on the structure and anticipate having more details in place for statewide program implementation.
