Hi Marc,

I'm done incorporating Ed's comments and making other revisions to the test plan and comment tracker. Please see the following files and let me know if you have any comments:

Hi Daniela,

please see attached for where we're at with the test plan revisions. Bo has integrated those changes we felt are sensible, and tracked the rest in a spreadsheet. We haven't looked at Ed's yet. I still think we should run the next version (with Ed's suggestions incorporated) by the CEC first, to see if we can make them our ally, and then reach out to the rest of the team, but time is getting tight. Also, I haven't heard back from anyone about Tuesday afternoon, have you? Do you think they are just waiting for another update before they respond?

Marc
