Question 43:

Do you propose that members of the Program Council be limited to Lead PAs and/or IOU PAs?

Response to Question 43:

The IOUs have proposed that membership on the Program Council should be limited to participating PAs. As described in the jointly filed “Statewide Administrative Approach” as part of the Business Plan application in January 2017, “The program Council is comprised of authorized representatives of participating PAs.”
