**QUESTION NO. 23** (Contract Management Employees (FTE and Headcount) and Costs)

Provide all analyses you completed investigating the amount and type of contract management resources needed in the business plan period, 2018-2025, in order to comply with Commission Decision 16-08-019.

**CONFIDENTIAL (yes or no): No.**

**RESPONSE:**

MCE assumes the management resources needed in order to comply with Decision 16-08-019 is in reference to what is needed to satisfy the statewide and third party bidding requirements. Since MCE is not subject to the third party bidding requirements and is not administering a statewide program, MCE does not anticipate substantial changes to its current contract management resources.
