One comment to make is that by signing an NYSERDA only letter it would facilitate attribution in the evaluation.

Thanks for making this happen!

*******CAUTION:** This email was sent from an EXTERNAL source. Think before clicking links or opening attachments.*****

In talking to Chris C at NYSERDA, it sounds like both NEEP and ASAP have approached them to sign on to their RFI letters. I am setting up a time to talk to Chris tomorrow to stress the importance of the Utility Coalition angle, but wanted to keep you in the loop.

Thanks,
Bijit
