Hi all,

On December 24th DOE released the Final Rule of the test procedure for furnace fans. Amanda and I have reviewed the final rule and would like to discuss the changes made since the SNOPR and impacts on our comment letter, which is due on January 23rd.

Please let us know if/when you are available next week for a discussion. I will send out call information once we figure out a convenient time for all.

Hope you are having a great new year!
