I'll set it up and will text Michelle and Kate if I don't hear from them by then.

Thanks!

Sorry all. I got delayed. Anyone available at 4? If so, I'll set up a call.

I would like to have a conversation specific to those late comments.

Sue-

During the appliance standards discussion yesterday, Daniela agreed to provide a CASE study development plan. Also, I think the AS team is planning to discuss the potential to submit late comments to the ITP. Seems like the team is on track.

Are there other issues?

Thanks.

Hey there,

Do you guys have some time to chat tomorrow afternoon on this issue? I think we need to ensure that we are on the same page for the meeting with the CEC staff on Wednesday.

I am at ASHRAE until about 2 p.m. but can definitely do a call by phone while I'm driving home. Do you think you can each do 3 p.m.?

Thanks!

Sue
