**SCE EE Business Plan A.17-01-013**

**DATA REQUEST SET A.17-01-013-CEE-SCE-001**

**To:** CEE

**Prepared by:**

**Title:**

**Dated:** 03/24/2017

---

**Question 020:**

Will ratepayer money be allowed to subsidize energy efficiency measures that are installed by contractors that do not employ adequately trained and skilled workers?

**Response to Question 020:**

The term “adequately trained and skilled” is subjective, however, to participate in SCE’s ratepayer-funded EE programs contractors must comply with all applicable federal, state, regional and local laws, and are licensed and legally authorized to perform such work.
