Hi Charles,

At this time there isn't anything significant that would be constructive feedback to comment.

Please let me know if you have any further questions.

Thank You,

Subject: [EXTERNAL] Tub-Spout Diverters

Dear Daniela,

Are we going to submit our comment letter to CEC on Tub-Spout Diverters? The comment letter is due this Friday, according to the CEC's Invitation-to-Participate meeting notice. So, I am just checking to see if we have a plan for submitting a comment letter. Thanks.
