I'm out of office so can't see track changes or comments, but the DOE doesn't pass anything it's not a legislative body.

Grant,

I've embedded answers to some of your comments/questions and made some modifications.

Sean, can you answer Grant's question on the wording for "promulgate" vs "Pass"? That was your edit so I want to make sure we use the correct terminology based on the proceeding.

Thanks!
