NRDC-1	SCE	Pub	General (no tracker)	<ul style="list-style-type: none"> • Include SB 32 • Provide information on zip code/income, end use, location, etc. • Similar organizational comments as other sectors • P.29 – suggest adding an e.g., for OBF: “provide funding at onset of project” [we heard that comment on 11/2 from DGS] • P.31 – what is “internal limitations” • P.36 – what are the plans with the partners? Right now just describes them but doesn’t include SCE’s plan for partnership • P.37 – similarly, what do you do (or will do) to coordinate administration • suggest incorporating something like SDG&E p.96 for a mapping of how the strategies meet address the barriers (for all sectors).
