Question 45:

Will Program Council meetings be open to stakeholders and/or the public?

Response to Question 45:

No, Program Council meetings will be open to Program Council members. As described in the jointly filed “Statewide Administrative Approach” as part of the Business Plan application in January 2017, “The program Council is comprised of authorized representatives of participating PAs.” The forum for Stakeholder and/or public input is the California Energy Efficiency Coordinating Committee.
