Provide projected total headcount of individuals funded by EE balancing accounts by aggregated category and by functional category for each year of the business plan, 2018-2025. [Note: for this response individuals who charge to multiple functional categories should be counted once in each functional category]

Response to Question 08:

SCE has not projected headcount of individuals funded by EE balancing accounts for 2018-2025 either in total, by functional category, or with assumption that individuals who charge multiple functional categories are counted once in each functional category. Accordingly, such information is not provided in response to this question.
