Hi Bo,

Thank you for contacting me. I would like to defer an interview to PMI (Plumbing Manufacturers International). As a member of the group, they can provide any information you may need. The main contact there as I am sure you are aware is Matt Sigler.

Thanks and Best Regards,

Dayne Tyner

Subject: Tub spout diverters: Request to set up a call

Hello,

NegaWatt has been retained by SoCalGas on behalf of California's Statewide Utility Codes and Standards Team to be the technical lead of the Title 20 tub spout diverter Codes and Standards Enhancement (CASE) project. We're interested to get your valuable input and would like to please schedule a 30 – 45 minute phone interview. If you are available, may you please let me know your preferred date and time? If you are not the appropriate person in your organization to ask, may you please direct me to them?
