Utility Implementation Activities

7. Please provide a list of all activities, including administration and support, proposed in your business plan that will not be bid out in compliance with the third-party definition in D.16-08-019.

SDG&E Response:

There is nothing in our business plan that is off the table, i.e. will not be bid out. SDG&E will regularly review its portfolio for items that are best served by a third party.
