Question 13a-b:

Will you impose contract term limitations on contracts with third-party implementers?

- a. If so, why?
- b. If so, what do you expect those terms to be?

Response to Question 13a-b:

Yes, SCE will impose contract term limits on contracts with third-party implementers. Renewing contracts on a regular basis allows SCE to update contracts to reflect current market rates and trends and gives SCE an opportunity to re-evaluate implementer performance. SCE expects the contract duration to be three years with an option to renew the contract an additional year on an annual basis, with a maximum of two additional years.
