**QUESTION 19**

Please provide a timeline for all third-party implementation activities that will commence in the period January 1, 2017 to December 31, 2020?

**ANSWER 19**

In early 2017, PG&E awarded 22 vendors master services agreements (MSAs) for implementation activities/technical services for the time period 2017-2020. PG&E will likely rebid these services in 2020. However, as we learn more through our outsourcing endeavors this timeline may change.
