Question 008:

Who are the members of the Joint IOU WE&T Team referenced on page 302 of the 2018-2025 Energy Efficiency Rolling Portfolio Business Plan? What is the Joint IOU WE&T Team's administrative structure?

Response to Question 008:

The Joint IOU WE&T team consists of representatives from the WE&T teams at SCE, Pacific Gas & Electric Company, San Diego Gas & Electric Company, and the Southern California Gas Company. Participants vary due to staff mobility and availability, but generally the team is made up of representatives that focus on K-12, Post-Secondary, and Incumbent Workforce offerings delivered through their respective training centers. In terms of administrative structure, in-person meetings generally occur once per quarter and facilitation of the meetings rotates among the IOUs. Conference calls are held more frequently depending on the level of activity.
