Submitted: March 22, 2017

*Questions in the following four sections on PA statewide program proposals refer to the “Statewide Administration Approach” proposed jointly by PG&E, SCE, SoCalGas, and SDG&E in their whitepaper authored on January 17, 2017 (“Whitepaper”).*

**Statewide Program Council**

**46.** What recordkeeping methods will be employed for Program Council meetings?

**SDG&E Response:**

The details around recordkeeping methods have not yet been determined. However, the IOUs agree that this is an important element to consider as we work towards a statewide administration framework. The IOUs shared an initial framing for a statewide governance structure in the jointly filed “Statewide Administrative Approach” as a part of the Business Plan application in January 2017. The IOUs continue to work collaboratively on the structure and anticipate having more details in place for statewide program implementation.
