Question 42
Submitted: March 22, 2017

Questions in the following four sections on PA statewide program proposals refer to the “Statewide Administration Approach” proposed jointly by PG&E, SCE, SoCalGas, and SDG&E in their whitepaper authored on January 17, 2017 (“Whitepaper”).

Statewide Program Council

42. What are the proposed criteria for authorizing representatives to participate on the Program Council?

SDG&E Response:

The criteria for roles, responsibilities, tasks, length of appointment, and other expectations including time-commitments are all under consideration and not yet determined. The IOUs shared an initial framing for a statewide governance structure in the jointly filed “Statewide Administrative Approach” as a part of the Business Plan application in January 2017. The IOUs continue to work collaboratively on the structure and anticipate having more details in place for statewide program implementation.
