**Question 32:**

What are the utilities' plans to allocate statewide program costs by service area in compliance with D.16-08-019 (p. 55)?

**Response to Question 32:**

The utilities are still in the process of determining how statewide program costs should be allocated by service area. The utilities continue to work collaboratively on the structure of statewide administration, including cost allocation, and anticipate having more details in place for statewide program implementation.
