Question 40:

The utilities propose that a Lead PA will file regulatory documents “on behalf of the overall statewide programs” (Whitepaper, p. 22). Please explain what is meant by the term “*overall statewide programs*” in this context.

Response to Question 40:

The use of the plural “overall statewide programs” should have been singularized (i.e., “overall statewide program”) to avoid any confusion. When proposing that a Lead PA will file regulatory documents and provide periodic reporting “on behalf of the overall statewide programs,” the IOUs meant that for each statewide program, the Lead PA for the program will file advice letters, regulatory reports, and other regulatory documents related to the statewide program. Individual PAs will provide any regulatory reporting on local impacts of programs (e.g., savings and budget).
