Awesome! I like being proactive with providing Dennis information.

Rodger,

There is an AGA Board Meeting on October 13th and I will be preparing an updated packet for Dennis and will have that to you by Wednesday, October 7th to allow time for review.

I have been in discussions with Gabriel and Sean and I will also be sending you a recommendation of how we believe SoCalGas should respond to the pending notice of data availability (NODA).

Let me know if you have any questions.

Thanks!
