## What is this?

At the 9/20 Full CAEECC Quarterly Meeting #39, Evolving CAEECC Working Group (ECWG) Members voiced their frustration with the ECWG process so far, continued confusion, and the challenge of trying to do this work within an existing inequitable system. After thinking hard about how to best honor these comments as well as previously elevated comments, the Facilitation Team, with the support of ECWG Leadership, has decided to shift the format of this meeting to open up room for ECWG members to work on what they think makes the most sense, in the way that makes the most sense, within the resource constraints we are currently working with.

## Objectives

- Continue to meet and learn from members of ECWG.
- Discuss/Set a new path for this working group to sail.
